Youth Committee

Are you under 35 and want to make a difference within CUPW? This is your opportunity! We're inviting young CUPW members to take part in our **Youth Committee**. Each region will have two representatives aged 35 or younger. We're committed to ensuring gender parity, including non-binary representation.

The Committee will meet once a year.

Why It Matters

What We Need

- Young members with fresh ideas and a passion for improving working conditions.

- Individuals who want to get involved and engage with fellow members.
- Those ready to share their innovative perspectives to drive positive change.
