# Coughlin Optional Life Insurance

CUPW is pleased to announce that for a limited time, additional life insurance coverage for both members and spouses can be obtained without completion of a medical questionnaire. No evidence of insurability required!

In addition to the basic coverage provided by CUPW, this offer allows any CUPW member in good standing the opportunity to increase their personal life insurance coverage by:

- **\$150,000 for members;**
- **\$50,000 for spouses.**

The process is simple! To take advantage of this opportunity, members must simply complete, sign and return the enclosed application form *no later than November 30, 2024*.

It provides you, the member and your family, with financial protection and peace-of-mind during life's most difficult moments.

Plus, members insured with CUPW's optional life insurance are automatically eligible to receive \$5,000 of critical illness insurance - free of charge - provided by the Canadian Union of Postal Workers Insurance Trust Fund.
