9:00am – 5:00pm

WHERE: ZOOM

COURSE OFFERED:

Pension Whiz

This 1-day course will touch on all the moving parts of the pensionable service and explains the terminology in layman’s terms - with the goal of presenting the basic and important principles. It will also explain the three types of life insurance and some legal requirements needed to ensure the beneficiaries are updated and aware of all the different types of life insurances. We hope to also present a segment on benefits which will explain criteria necessary to ensure coverage and continuation if time permits.

Interested members should be made aware that all sessions are mandatory. Please instruct participants to inform the REOO of any medical conditions that must be considered for full participation. Those selected will be solely responsible for ensuring a strong internet connection, an updated ZOOM account and computer/tablet or equivalent to ensure their participation.

Understanding that there are limited opportunities, preferences will be given to members who are nearing retirement or Local advocates.
